

Keep Your Home Healthy with E3 Home Shield

You trusted us with your home performance improvements. Now you can depend on E3 INNOVATE for your regular home maintenance too!

• Prolong the life of your equipment

• Keep up-to-date on regular maintenance and services

• Protect your most valuable investment

One Plan. Total Coverage. Completely Customizable.

It's simple. Our maintenance plans take of your whole home, top to bottom, inside and out. Your two-year subscription includes:

- Bi-annually scheduled home inspections by your personal E3 Home Expert.
- See below for a list of services included.
- Time-of-need service calls from an E3 Home Performance Technician.
