MAINTENANCE

PROTECT YOUR
MOST VALUABLE
INVESTMENT

Creating an energy-efficient healthy home is a great investment in the health of your house and family. Ensuring it continues to perform that way year after year is just as important. That's why E3 offers extended home maintenance plans. We know exactly how your healthy home has been set up, and will apply our whole-home approach to maintaining every system. Our team will provide the highest quality service and give you the peace of mind, knowing your home continues to be healthy and efficient.

E3 HOME-SHIELD MAINTENANCE

Our integrated maintenance services will keep your whole home healthy and operating at peak performance. Choose the plan that works best for you.

PLANNED-CARE **STAY ON A SCHEDULE**

Schedule your 6 and 12-month maintenance in advance and have all of the services completed by our E3 Maintenance team.

EXTENDED-CARE **NO NEED TO LIFT A FINGER**

Do you have an indoor air quality or moisture concern? E3 will inspect your home and carry out maintenance tasks on a quarterly basis to ensure your home stays under a watchful professional eye.

E3 Experts Are Here to Help You Get Started Today!

Our knowledgeable staff will be happy to provide you with a custom quote for your home. Call our office today!
